LETTER CLARIFYING THE RECORD

Sir:

In reviewing the file for the above-identified application upon receipt of the Notice of Allowance in this application, the undersigned realized that the Communication of May 8, 2006 in corresponding European Patent Application No. 03 776 116.0 mentioned a D1 reference that was not identified in the Communication. After reviewing the matter, the undersigned determined that the D1 reference is Hutchinson (USP No. 6,152,563), which has already been cited by the Examiner in this U.S. application as an anticipating reference against the pending claims in this U.S. application.
